### Advisory Regarding Forward-Looking Statements

*This press release together with the unaudited consolidated financial statements and MD&A referred to therein contains certain forward-looking statements and forward-looking information (collectively referred to herein as "forward-looking statements"). Forward-looking statements are based on the EastSiberian's current beliefs as well as assumptions made by, and information currently available to, EastSiberian concerning business prospects, strategies, regulatory developments, the ability to obtain equipment in a timely manner to carry out development activities, the ability to get oil to market, and the ability to obtain financing on acceptable terms. Although management of EastSiberian considers these assumptions to be reasonable based on information currently available to it, they may prove to be incorrect. Undue reliance should not be placed on forward-looking statements, which are inherently uncertain, are based on estimates and assumptions, and are subject to known and unknown risks and uncertainties (both general and specific) that contribute to the possibility that the future events or circumstances contemplated by the forward-looking statements will not occur. There can be no assurance that the plans, intentions or expectations upon which forward-looking statements are based will in fact be realized. Actual results will differ, and the difference may be material and adverse to either EastSiberian and/or its security holders. The forward-looking statements contained in this press release are made as of the date hereof and EastSiberian does not undertake any obligation to update publicly or to revise any of the included forward-looking statements, except as required by applicable law. The forward-looking statements contained herein are expressly qualified by this cautionary statement.*
